We look forward to seeing you in Chicago and discussing ways to help make your operation more profitable. Our theme for this years show is "Don't Gamble on CtP" which highlights our continued dedication to partnering with you in an environment of price increases and market consolidation. We have some exciting new products and programs to share with you as we continue our 2nd decade as the Single Source Leader in polyester CtP in North America. We'll have some Vegas inspired fun and games where you could win big!
